KING : "You there!" (knocked on the miller's doo) "What is so amazing about your daughter?"

MILLER : "Your Majesty, my daughter is so clever that she can spin straw into gold!"

KING : "Spin straw into gold? "That is amazing! She must come to my palace. I will put her to the test!"

MILLER : "But I mean..." (He wished he had not told the King such a thing! But now it was too late.)

- Narrator : So the miller's daughter had to go to the King's palace at once. The King took her to a room piled with straw from floor to ceiling. He pointed to the spinning wheel in the middle of the room.

KING : "Really? Now get to work! If by morning you have not spun this straw into gold, You won't be a breath ever again!"

GIRL : "Your Majesty, believe in me. Please listen to me ..." (begging for mercy)

GIRL : “What will I do? “No one can do such a thing!”

DWARF : “Did I hear you say, 'no one'?”

GIRL : “What?” (the girl shocked.) “Where did you come from?”

DWARF : “Never mind that! “What matters is I can save your life. For a price, of course.”

GIRL : “You can spin straw into gold? “What kind of price do you have in mind?” (She did not know if she should trust this stranger.)

DWARF : “What you give must be important to you, “How about that necklace?”

GIRL : “Indeed, my necklace is very dear to me. But not as much as my freedom. (think for a bit) “Very well. If by morning you can turn this room full of straw into gold, this necklace is yours.”

- Narrator : The dwarf got to work. Very busy she was, all night long. Whirr, whirr, whirr, until morning. By then, not one piece of straw was left in the room – all of it was turned into piles of pure gold thread!

GIRL : “You did it!” (looks very happy)

DWARF : “Of course I did! “Now hand over that necklace!”

GIRL : “A deal is a deal,” (She took off her necklace and gave it to him.)

- Narrator : When the King stepped into the room, he was very glad. The king gave the girl a second test with a bigger room than the first.

KING : “Look at that!” (running the gold thread through his fingers.) “Pure gold, amazing!”

GIRL : “Yes, “Now if you please, sir. I’d like to go home now.”

KING : “Not so fast! “I will give you a bigger room than this one, You will stay there tonight. Beware – by morning all the straw must be spun into gold. If you care about your life!”

GIRL : “But I already–!”

KING : “No ‘buts’ about it!” (And he left, slamming the door behind him.)

GIRL : “Oh ... I was lucky last night. It will not happen again.”

DWARF : “Who says? (suddenly appeared that strange dwarf again) “I will do this job for you, But you must give me that ring on your finger.”

GIRL : “I always loved that ring! “But after all, it is just a ring. “All right. It’s a deal!”

DWARF : “please sit sweet, let me work!”

Scene 3

- Narrator : So the dwarf spun the straw all night. By morning, nothing but piles of spun gold thread lay on the floor. The girl gave the ring to the dwarf, as she said she would do.

The next morning, the girl felt sure the King would be so happy, he would let her go home. But If two rooms of gold look good to a king, three rooms of gold looked even better. The King took the girl to the biggest room yet. He had already filled with straw.

This time, however, the King said his son was coming back from a long journey that very night. In the morning he would send his son to the room to see if the work was done. If it was, she was to marry the prince.

KING : "Even if you is a miller's daughter, I could not find a better wife for my son, if you could not do the task, he would marry no one at all for he would die!

GIRL : (the girl fell into a deep gloom) How long would this go on? Would I ever get out?

DWARF : "I bet you knew I would come back,"

GIRL : "I could not know for sure, "But this time I no longer have anything to give you. I cannot pay you anymore."

DWARF : "We will find a good price."

(And She went to work, spinning the straw into gold.)

GIRL : "Stop! Please! I have nothing left to pay you."

- Narrator : But the dwarf did not stop! She worked all night long. Though the girl waved at him and begged him to stop, hour after hour, it was no use. By morning, the job was done.

[\(9\) 15 MAGIC SOUND EFFECTS | NON-COPYRIGHTED - YouTube](#) (00:16-00:24)

DWARF : "There! "All done. Now I will tell you my price."

GIRL : "That's not fair!"

DWARF : "Lots of things are not fair," (with a shrug)

GIRL : "Very well, "What is your price?"

DWARF : "Oh, nothing right now, But later.... If you become Queen, I will take your first born child."

GIRL : "What?!" (the girl in fear) "I cannot imagine I would ever be Queen. But even if I were, I would never agree to such a thing!"

DWARF : "Oh, but you already have. The straw is spun into gold. And so the deal is made!"

(And She was gone)

Scene 4

- Narrator : A moment later, a young man stepped into the room. the young man is the prince who will marry the girl.

[\(9\) Horse running | sound effect - YouTube](#) (00:00-00:18)

[trumpet sound effects - efek suara terompet - YouTube](#) (00:35-00:49)

PRINCE : " excuse me, hi ... you did all these things right? "

GIRL : "Who are you?"

PRINCE : "I'm a prince, I know how hard my father can be."

GIRL : "True, that," (and they smiled because this young man seemed very different from his father)

PRINCE : "When I am King, "I will not rule as he does." (The Prince looked around. He saw the large piles of gold, shining on the floor.)

GIRL : "Oh really ... !" (looked cynically)

PRINCE : "How can you do such a thing?" (he said in wonder.) "I was told that if the straw were spun into gold by this morning, you were to marry me. But know this. If you really want to get out of here, I will help you. Do not worry. I will find a way to tell my father."

- Narrator : This young man was very different! The girl wanted to get to know him better. The two stayed in the room and talked about all sorts of things. Before long, they had fallen in love. Then he asked her to marry him. And the girl said yes.

So the two were married. It was not long after the wedding when the terrible old King died. The prince became King and the miller's daughter became Queen. In time, the new Queen had a baby of her own, a son. Joy filled the palace. Until one day, when the Queen was alone in her room. All of a sudden, the drawf stood before her.

DWARF : “hi O beautiful queen, Give me what you promised!” (pointing at the baby) Now!”

GIRL : “I never promised it!” (She held her baby tightly) “I will give you gold instead. More gold than you have ever seen.”

DWARF : “Why do I need gold? “I can make all the gold I want!”

GIRL : “Then, I will give you a castle.”

DWARF : “I come and go where I want, What do I want with a castle?”

GIRL : “Then, I will give you servants to take care of you.”

DWARF : “No one takes care of me! “No one even knows who I am!”

GIRL : “I will find out who you are.”

DWARF : “Oh, REALLY? (think for a bit) “Very well, I will give you three days. After three days, if you cannot tell me my true name, the baby is mine!” But if you guess my name, you can keep that baby for all I care. And no one must know about this! If you say but one word of this to anyone, the baby will be gone forever.”

- Narrator : The next day, the Queen wrote a very long list of every name she could think of. That night, in the baby’s bedroom, the dwarf appeared before her.

[\(9\) 15 MAGIC SOUND EFFECTS | NON-COPYRIGHTED - YouTube](#) (00:03-00:09)

DWARF : “Well?” (in a loud voice) “Ready to find my true name?”

(The queen read the whole list of names, one by one.)

GIRL : “Could your name be Nathan?” Lucas?” “Jacob? “Hugo?” “Felix?” “Oliver?”

DWARF : As you can imagine, many other names. “Not even close!” (laughed) “See you tomorrow night.” (And She was gone)

- Narrator : The next day, the Queen looked through every book in the royal library. She found names from faraway places. Names she had never heard of. That night when the imp appeared, the Queen read her list.

[\(9\) 15 MAGIC SOUND EFFECTS | NON-COPYRIGHTED - YouTube](#) (00:03-00:09)

GIRL : "Perhaps your name is Maximilian."

DWARF : "No?"

GIRL : "How about Reynald?" "Alfonso?" "Pointdexter?"

DWARF : "This is boring, "But I will not be bored tomorrow night. The third night is when that baby is mine!" (He laughed again, and was gone.)

Scene 5

- Narrator : The third day, the Queen did not know what to do. She wished she could tell her husband her woes, but she dare not. She walked to one side of the room, then back again. Back and forth, over and over. "This does not help a thing!" she said. She put on her royal cape and hood, and walked outside the castle.

[\(9\) 15 MAGIC SOUND EFFECTS | NON-COPYRIGHTED - YouTube](#) (00:03-00:09)

GIRL : "If I have peace and quiet, maybe I will think of something,"

- Narrator : The Queen went into the woods. She followed a brook to a big lake, and went past the lake to the deep forest hidden in the darkness. All of a sudden, the queen saw the light of a fire far away. And there was a voice that was hard to make out. There was something about that voice, too, but what? She stepped closer. At last, there in front of a fire, danced a drawf. It was she, the very same drawf!

Very quietly, the queen listened...

As the little drawf danced, DWARF singing :

Tonight, tonight, my plans I make

Tomorrow tomorrow, the baby I take.

The queen will never win the game

*For **Rumpelstiltskin** is my name!*

GIRL : "Rumpelstiltskin!" (speak in a very low voice)

- Narrator : That night when Rumpelstiltskin appeared, the queen continued to mention the name of the dwarf and immediately the dwarf fell silent because she was surprised that the queen knew her true name.

DWARF : “No, a thousand times, no! “You are wasting my time. I will give you one last guess. Then that is the end!”

GIRL : “Well, I am sure this is not right. But could your name be – Rumpelstiltskin?”
